Dear Parent,

We feel it is important to communicate the academic progress of your child throughout the school year by sending home a report card. There is an online tool, known as the North Carolina School Report Card, that allows us to give you similar information, but at the whole school level.

Report cards are issued by the state for charter schools, traditional schools and alternative schools. State and local education leaders are committed to providing parents with more information about schools. Well informed parents who participate in their children's education and school enhance the learning environment for students and educators alike.

In addition to what you see on the Report Card, I would like to highlight some of the outstanding achievements and accomplishments for our school this past year.

- Forsyth Academy was granted a 10 year renewal, the highest honor from the Department of Public Instruction.
- Forsyth Academy made Annual Yearly Progress (AYP) in reading and math.
- Math proficiency rates increased 7.7 points and reading increased 12.1 points.
- Forsyth Academy students made expected growth in reading and math on the NC End of Grade Tests.
- Accelerated Learning classes and the Jr.National Honor Society are two programs open to our middle school students.
- Forsyth Academy ranked in the top 10 of all schools in National Heritage Academies for academic proficiency and academic growth as measured by the NWEA assessment.
- A strong moral focus program supports our students in becoming outstanding citizens

Thank you for taking time to review this letter and the NC School Report Card. We welcome your interest in our school and would be happy to speak with you in person about enrolling your child in grades K-8. More information about our school can be found online at www.heritageacademies.com. I can be reached at the school at (336) 922-1121 or via e-mail at 25.lhill@heritageacademies.com.

Sincerely,

Mrs. Lori Hill

Principal-Forsyth Academy
